	Construction and Operation of a	)	INTERVENOR
	385 MW Pulverized Coal-Powered	)	
	Generating Plant near Cope,	)	
	Orangeburg County, South Carolina.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the letter of January 17, 1992, of Tenaska, Inc. (Tenaska) seeking to withdraw as an intervenor in the present Docket.

On January 8, 1992, by Order No. 92-4, in this Docket, this Commission granted Tenaska's Petition to Intervene. Subsequent to this, Tenaska informs us by letter that it wishes to withdraw as an intervenor in this Docket. Tenaska states that after further investigation it does not believe that it is in the best interest of the parties in this case, including Tenaska, for this intervention to continue. The letter stated that although Tenaska appreciated the Commission's granting of intervenor status, it wished to withdraw from said status.

It appears to the Commission that Tenaska states good cause for withdrawal from this proceeding.

IT IS THEREFORE ORDERED:

1. That Tenaska is hereby allowed to withdraw as an intervenor in these proceedings and is hereby withdrawn as an intervenor.

2. That this Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

  
VICE Chairman

ATTEST:

  
Deputy Executive Director

(SEAL)
